Main Restaurant 80 seats

The main restaurant draws inspiration from the natural terrain of Italy, featuring a harmonious palette of light beiges, soft sage greens, and earthy tones. The space exudes serenity and sophistication, with intimate tables ideal for cozy couples, as well as larger seating areas perfect for group gatherings. A key design element is the presence of lemon trees, which evoke the warmth and charm of the Italian countryside, while the walls are adorned with elegant portraits that add an artistic flair to the ambiance.

At the heart of the dining area is an open pizza station, where guests can enjoy the craftsmanship behind their dishes, with the station conveniently located behind a golden, chic bar.

Arrogante main restaurant is also designed to cater to events of various sizes, accommodating groups for up to 80 guests comfortably. For larger gatherings, a warm welcome reception can be arranged with a cozy lounge set-up, featuring a charming, fairy-tale-inspired carriage that adds an authentic, whimsical touch to the setting.

Whether you're dining with a small group or hosting a special event, Arrogante offers a versatile and elegant interior that perfectly complements any occasion.
